

Health Administrative Professionals Bargaining Unit

Bargaining Update: Conciliation

Dear member,

As you may be aware, talks at the bargaining table for the Administrative Professional bargaining unit broke off on January 19, 2023. At that time, your bargaining team filed for conciliation.

On February 23, 2023, the bargaining team was contacted by Conciliator Rick Rose from Nova Scotia Conciliation and Mediation Services. Conciliator Rose put forward three possible dates for the bargaining team and the Employer to begin the conciliation process. The date that has been confirmed to begin the process is Friday, March 24, 2023. It has also been confirmed that the conciliation process will take place at the NSGEU offices in Dartmouth.

Once conciliation begins, we will provide updates as we move forward. There is no time frame to the process, but after seven days of face-to-face meetings with the Employer, there remain thirteen articles and a financial package to resolve.

Please look forward to more updates. Should you have any questions, please contact a member of your bargaining team.
